System Pressure Advisory Rescinded

04/28/2021

Date

3:15 PM

Time

Based on the laboratory analysis of water samples collected from the Lake Waccamaw Water System on **April 27, 2021**, water users are hereby notified that it is no longer necessary to boil water used for human consumption. The system has resumed normal operations. The affected area was from **2600 Canal Cove Rd. to the end of Waccamaw Shores Rd. It did not include the Wooded Acres Subdivision.**

We appreciate your cooperation during this period. If you have any questions, please feel free to contact us.
