Attention Golf Cart Owners, Residents and visitors 07/24/2019

We have recently started earnestly tracking golf cart renewals. If you have a golf cart it must be inspected and issued a registration sticker every year. If our records indicate that your golf cart registration is expired, you will receive a gentle reminder to please update your registration.

Please remember liability insurance and seat belts are required for inspections. Drivers need to be a licensed driver or a permit holder with a licensed driver. Please check your registration to make sure you are in compliance.

This is to insure safety to you and the citizens of Lake Waccamaw.

Thank you,
Gordon Hargrove
Town Manager
